

Areti LLP is a modern accounting and consulting firm located in the heart of Vancouver's Historic Yaletown. Our mission is to help entrepreneurs define what success means to them and to help them achieve that success. We do that by being curious - asking questions, seeking to understand and taking a genuine interest in our clients. We are currently seeking a Manager to join our team of exceptional accountants.

How you will add value to our firm as a Manager:

With your superb technical proficiency and knowledge to handle tax, assurance & accounting engagements and projects, you will oversee client file deliverables and conduct comprehensive file reviews to ensure complete client satisfaction.

Your other specific duties will include:

- Developing Staff and Senior Accountants through day-to-day coaching, proactively sharing knowledge and experience, internal training delivery, providing constructive performance feedback on file engagements and assignment of challenging work opportunities;
- Maintaining positive client relationships and establishing expanded business as appropriate;
- Evaluating client business processes and policies, providing advice on policy and tax changes and developing proactive tax strategies
- Handling complex tax return preparation and compliance work;
- Contributing to the successful recruitment of new employees;
- Being a positive role model who consistently personifies the firm's values.

As the ideal candidate:

- You hold a post-secondary degree or diploma in accounting or business administration.
- You have a minimum of 5 years' experience in public accounting.
- You hold current CPA designation.
- You are dedicated to meeting or exceeding client expectations and requirements.
- You have proven people management and development skills; you are adept at providing frequent and valuable performance feedback to develop and build employees
- You are known to be a strong communicator, both verbally and written. You practice active listening.
- You are self-motivated to consistently meet or exceed targets, steadfastly pushing yourself and encouraging others. You thrive under pressure.
- You have great time management skills, including the ability to multitask and produce timely, high quality results.
- You are highly motivated, energetic, and have a positive attitude.
- You are able to effectively utilize technology solutions and have a comprehensive understand of systems information flow.
- You have a thirst for knowledge, and you are always looking to learn and grow.
- You have intermediate to advanced computer skills (MS Office).

What you'll love about your experience at Areti:

- Our people are engaged, curious, collaborative and ambitious (for both themselves and our clients).

- We are located in a funky office in the middle of Yaletown, right next to the Canada Line.
- We have daily and weekly staff meetings and activities to keep our communication channels open and foster superb teamwork.
- We are passionate about mentorship and the growth and development of our employees.

Application:

If you match the ideal candidate description and are interested in this position, please apply by sending your resume and a cover letter to careers@aretilp.com. We sincerely thank all applicants for their interest in working with Areti. We will contact only those being considered for the position.
